Waiting period 6 months. Circle period 3 months. Lock by 6 companies.

The "Circle" corresponds to the group lock size; for example, 20,000 multiplied by 10 results in an allocation of 200,000 for designated equipment, which will be purchased directly by aQua in compliance with requirements. Additional funds may be borrowed if eligibility criteria are met, and any changes can be applied to support further business initiatives. Bi-annual reports will detail the progress of your business and equipment usage, supported by comprehensive evidence.

A business service exchange, organized by #Onebigteam, will facilitate collaboration among companies, enabling them to share opportunities for growth and enhance their market visibility.

**Period for clubbing will be announced to all the businesses participating in the platform or registered**

- Area Business Space can participate "IBP"
